LONG WKND + TROYO / NEW YORK
PIGEON HOUSE RECORDS

AFTER OURS

After Ours are a New York-based electronic duo formed by longtime friends and collaborators Long Wknd and TroYo. Built on years of creative trust and a shared instinct for the moment, the project reflects their natural chemistry behind the decks and in the studio.

Their sound blends deep, rolling grooves with emotive melodies, built for flow, tension, and release. The name pays homage to their tight-knit crew and the hours that come after.
